Directions for downloading (FREE) eBooks—kobo

You must have a Helen Hall Library card to use Overdrive from the Helen Hall Library (HHL) website.

Short Version (directions below):
Download Adobe Digital Editions (ADE) to your PC at home.
Check out a book from Overdrive—do not "Download" until you have ADE on your PC.

Downloading Adobe Digital Editions
 (Macs are not user friendly with the Nook at the moment):
1. Go to www.leaguecitylibrary.org
2. Hold the curser over E-LIBRARY
3**.** Click **Overdrive**
4. Scroll down until you see (on the left side of the screen):
   Digital Software
   Adobe Digital Editions
5. Click on "**Get Adobe Digital Editions**"
6. Click "Download Now"
If you do not already have **Flash**, you will be directed to download **Flash**
   You may need or be asked to create an Adobe Digital Editions login and password.
   Write them down or remember them.

Downloading your eBook to your PC
   Go into Overdrive from the Helen Hall Library website (steps 1—3 above).
   Check out a book in Overdrive.
1. Hold curser over **eBooks** on the left side of the screen in the beige area.
2. Choose collection to search.
3. Find a book that says "**Add to Cart**"
4. Click "**Add to Cart**"
5. When you are ready to check your book out;
   Click "**Continue to Checkout.**" Follow instructions.
6. Click "**Confirm Checkout**"
7**.** Click the *blue* **Download button**
8. Click "OPEN"
The book will open in **ADE** displayed on the right-if it doesn't; open ADE

Loading the book from our PC to your kobo:
   Click the "**Go to Library view**"
      Symbol at the top left hand corner
   Plug the kobo into your PC (Macs will not work easily here)
   The kobo device will show display on the left
   Drop and drag the book from the right side of the screen to the **kobo**
   Safely eject your kobo from your PC
   The book should now be on your kobo.
   ON YOUR KOBO:
   Press on **Menu**
   Click on **Books**
   Browse by title
   Open Book
